

FRANZ LYSTER L. TAGALOGON

Full-Stack Web Developer & n8n Automation Specialist

Philippines | Phone: (+63) 0938-835-8889 | Email: franzlyster@gmail.com

Portfolio: pixel-vibe-portfolio.vercel.app | GitHub: github.com/8kshj1jh44 | LinkedIn: linkedin.com/in/franz-lyster-tagalogon-2b7283217 | Upwork: upwork.com/freelancers/~01b4e057e37d32e9fd

PROFESSIONAL SUMMARY

Computer Engineering professional with technical expertise across full-stack web engineering, workflow automation (n8n), and cloud database integration (Appwrite). Proven track record developing responsive web applications, architecting webhook-driven data pipelines, and integrating AI services (Azure AI). Combines hands-on experience in technical support, system maintenance, and cybersecurity standards (Google Cybersecurity, Penetration Testing) to build secure, high-uptime digital solutions.

TECHNICAL SKILLS

Workflow Automation & Integration: n8n Automation, Webhooks, RESTful APIs, JSON Data Parsing, Cron Triggers, Discord/Slack Alert Pipelines, AI/LLM API Orchestration

Frontend & Web Development: Next.js 14 (App Router), React, TypeScript, JavaScript (ES6+), Tailwind CSS, Framer Motion, HTML5, CSS3, Responsive Design

Backend & Cloud Services: Appwrite BaaS (Databases, Auth, File Storage), Serverless Functions, Node.js, Python, Microsoft Azure AI

Systems, DevOps & Security: Linux Administration, Git/GitHub, Vercel Edge Hosting, SIEM Fundamentals, Google Cybersecurity, Junior Penetration Testing, Microcontroller Programming (Arduino/C++)

PRODUCTION WEB APPLICATIONS & DEPLOYMENTS

Takers Daily Digital Editorial & Content Platform <i>Production Deployment:</i> https://takers-daily.vercel.app/ - Engineered a dynamic digital editorial and publishing application with optimized visual hierarchy and typography layouts. - Implemented edge rendering on Vercel, achieving sub-second page transition speeds and 100% mobile responsiveness.	Next.js, Tailwind CSS, TypeScript, Vercel 2025
Oroq Coco Shop E-Commerce & Retail Storefront <i>Production Deployment:</i> https://oroq-coco-shop.vercel.app/ Built an interactive e-commerce product catalog with responsive cart workflows, structured data handling, and optimized asset delivery.	React, TypeScript, Tailwind CSS, State Management 2025
Discover Oroq & Pixel Vibe Exploration & Portfolio Applications <i>Deployments:</i> discover-oroq.vercel.app pixel-vibe-portfolio.vercel.app Developed a regional tourism discovery portal and an interactive creative portfolio featuring smooth micro-animations.	Next.js, Framer Motion, TypeScript 2025

PROFESSIONAL EXPERIENCE

Freelance Full-Stack Developer & Automation Specialist <i>Self-Employed (Remote)</i> - Architect and deploy production web applications using Next.js 14, React, TypeScript, and Tailwind CSS. - Develop custom n8n automation pipelines connecting webhooks, contact capture forms, and real-time notification alerts (Discord/Telegram). - Configure Appwrite serverless databases and storage buckets to manage authentication, document records, and media assets.	Sept 2025 – Present <i>Contract / Freelance</i>
IT Staff & Systems Support <i>JMC Power Depot / Haitek Logistics Services</i> - Monitored internal systems, databases, and operational logs to ensure data integrity for inbound and outbound distribution workflows. - Resolved hardware, software, and local network troubleshooting tickets to maintain high system reliability and reduce workplace downtime. - Maintained asset inventories, technical documentation, and standardized data reporting procedures.	Aug 2023 – Aug 2025 <i>Full-Time</i>
Freelance Embedded Systems Programmer <i>Self-Employed</i> Programmed and debugged Arduino-based microcontroller systems for sensor data collection and hardware-software integration.	Dec 2024 – Present <i>Freelance</i>

EDUCATION

Bachelor of Science in Computer Engineering
Jose Rizal Memorial State University – Main Campus
Graduated: 2019 – 2023

CERTIFICATIONS & TRAINING

- Microsoft Certified:** Azure AI Fundamentals (2026)
- TryHackMe:** Junior Penetration Tester (2026)
- Google:** Cybersecurity Professional Certificate (2024)
- TESDA:** Electronics Processing & Servicing (2026)
